**Time & Talent Covenant  
2008**

Each year the Nominations Committee is charged with selecting members for leadership positions in our church. This Time and Talent Covenant is used by the Committee to determine those interested in serving.

How will you serve God in the coming year? How will you help our church serve God and our neighbors as we seek to be the “hands and feet of Christ” in Austin and in the wider world?

Consider the opportunities listed on the next 3 pages, offer your own suggestions for your service, and remember that your service may even extend to caring organizations beyond our church.

These covenants will also be used by committee chairpersons looking to expand their programs and grow their committees with new volunteers.

Thank you,  
*Rev. Bill Henderson*
