

# KAMP KOOL KIDS

2009

Dear Parents,

Here is the summer schedule of 2009. The Kool Kids will be divided into 3 groups of 12 campers, each with its own counselor. Each group will have its own schedule of what they will be doing during the day. Look for this schedule on your child's group bulletin board. All activities will take place in each classroom. Campers will get to choose among Sports, Science of Cooking, and Arts and Crafts clubs to attend weekly.

I hope this helps you plan your summer with your camper. Please complete and return the Kool Kids Registration Form on or before the weekly deadline along with the **\$25 registration fee per week**. Hurry! Space is limited!

Thanks
