Mission

Making new disciples of Jesus Christ for the transformation of the world.

God's vision for Northwest Hills UMC is that we be the active presence of the Kingdom of God in our community. We will live out that vision by offering the life-changing love of Jesus Christ through energetic outreach, vibrant worship, compassionate service, and intentional faith development.

Vision

Ecclesiastes 3:1 *For everything there is a season, and a time for every matter under heaven.*

PASTOR'S CORNER

NWHills UMC welcomes Rev. Laura Brewster and family.

Hospitality is a core value of the Kingdom of God. Jesus talked about it constantly. When his followers, and those who weren't, didn't get it, he showed them what he meant. He healed those whom others called undeserving and dined with those unwelcome at others' tables. He reached across every human "barrier" to announce, "God's Kingdom is for everyone."

Hospitality; that is, welcoming ALL in to the Kingdom of God is at the heart and soul of NWHills UMC. And so, we take this opportunity to welcome with all our heart and soul our new Sr. Pastor, Laura Brewster. As you see in her bio below she has a servant's heart and is a loving and compassionate person. I have met with Laura and have been communicating via email and I'm excited about what God has for all of us in ministry together.

Change in leadership can be an anxious time for all of us, but as Charlie shared in his sermon on his last Sunday with us, God calls all of us to continue to move forward at times with new and different people for the good of His Kingdom. God has plans for His church that reach far beyond what we can imagine. We are called to trust and obey. We will continue

to Bring, Build and Send. We will continue to Make New Disciples for the Transformation of the World.

Laura has served as a pastor for twenty years in churches in Oklahoma and Texas. She is both deeply committed to the pastoral practices of visitation and hospice care within the local church, and beyond the church to the call and outreach of the mission field. She has led her congregations in local and international outreach efforts as the "hands and feet of Christ" in service.

Rev. Brewster is from Pharr Texas and graduated from The University of Texas and later Perkins Theological Seminary. She and her husband Scott Clear have a daughter Rachel who is a student at The University of Texas.

Laura's first Sunday is July 3. We will be welcoming her, Scott and Rachel in the Activity Center during the Sunday school hour. Stop by and say hi!

2016 ANNUAL CONFERENCE

Once again I was honored to attend the **Rio Texas Annual Conference** in Corpus Christi representing NWHUMC along with Pastors Charlie and Audrey, Bill Cain, and Mandy Goss. This was the second year of the new combined **Rio Texas Conference**. There were approximately 1500 delegates representing over 400 churches in this conference.

Since the 2015 Annual Conference, Bishop James Dorff resigned and four Bishops from outside the Rio Texas Conference were asked to continue the administrative work of the conference until a new Bishop is appointed. The appointment of the new Bishop will be in September of this year.

Bishop Robert Schnase chaired the plenary meetings and gave the message **Just Say Yes: Unleashing People for Ministry**. His message came from his book of the same title. His presentation was a walk through his book dealing with innovation. The focus of his message was to allow freedom of the ministries to take action instead of having to go through a heavy handed church bureaucracy. The goal of all ministries is to bear fruit, not to establish another form of church structure.

He shared that the local church should work with gifted people to allow them to experiment and to be proactive in working in areas that can bear more fruit instead of the normal and established processes of the church. The church should find out what is working in other churches and see how their ideas can be implemented locally.

He used the example of the pyramid. In this organization structure, it is obvious that those in charge reside at the top. He stated that a tightly controlled, centralized model seldom helps the church flourish.

He suggested a different model, the *upside-down pyramid* where the pastors see their task as one of undergirding, and support; to provide what is necessary for the ministries of the church. In turn, the staff and lead volunteers understand their mission is to provide the foundation of equipping, leading and training that allows others to serve, grow and lead. From my perspective, that is what we have been developing over the past two years. I see NWHUMC already on the road to training and equipping disciples with the use of our tools such as the **Compass** and lists of ministries and contacts.

In June we said our goodbyes to **Charlie and Heidi**. They have lead and supported NWHUMC through LOVE, sound doctrine and a focus towards looking and serving outward—to the mission field. We of course will miss them but also look forward to growing our mission impact with a new pastor. Effective in July, we welcome **Pastor Laura Brewster**.

Grace and Peace,
Gary Johnson
Lay Leader

STOP HUNGER NOW™

What if your fond memories of plentiful food were replaced with feelings of anxiety? What if you were unable to provide enough food for your family - tonight? What if your son or daughter says he or she is "starving," but you could only respond with "I'm sorry"?

The United Nations Food and Agriculture Organization (FAO) estimates that nearly 870 million people of the 7.2 billion people in the world, or one in eight, were suffering from chronic under-nourishment in 2010-2012. 852 million people in developing countries alone are hungry. Children are the most visible victims of inadequate nutrition. Children who are poorly nourished suffer up to 160 days of illness each year. These facts are difficult to comprehend – don't we live in a world that has unparalleled wealth and food production capacity?

The task of trying to resolve the problem of hunger and poverty is by no means simple. It involves many layers of socio-economic and political structures and systems that may be difficult to influence or control. But as a church that follows Christ's teachings, we have a responsibility to share the blessings that God has bestowed upon us!

In the face of tough economic times, it might be easier to tighten our own belts and make sure that we have enough. But Jesus called us to take care of others like they were our own mother, brother or sister. In the gospel account of the feeding the five thousand (Mark 6:30-37), it is Jesus that tells the disciples: "**YOU** give them something to eat."

Northwest Hills UMC invites you and your family to make a commitment to help **Stop Hunger Now**. Over the summer months, you will learn about the meal-packaging event taking place here on September 25, from 2-4 PM. Our goal is to raise \$3,000 in order to package 10,152 dehydrated rice/soy/vegetable meals. With your support, these meals will be distributed to ongoing feeding programs operated by partner organizations in developing countries. These programs promote education, encourage children to attend school, improve the health and nutrition of students, address gender inequalities, spur economic growth, combat child labor, and create a platform for tackling global issues! All for only \$.29 a meal!

Please **SAVE THE DATE -- Sunday, September 25 from 2-4 PM** and join us to make a wonderful difference in the lives of hungry families. You'll see a wonderful difference in your family too, by participating together in this event! There is a job for everyone -- from ages four to 104. Please plan to be there! To donate and/or volunteer, please visit: <http://events.stophungernow.org/NorthwestHillsUMC2016>

PRAYER CORNER

After many years of faithful service to the Lord and to Northwest Hills UMC, Marty and Sharon Donley are moving from the area to be closer to their family. The Donleys have especially been active in the church's prayer ministry, having served as the coordinators of our prayer chain for many years. As we wish them God's blessing on their move and new home, we also thank them for their dedication to prayer and to Northwest Hills. To ensure that our prayer chain ministry continues without interruption, Carol Fullerton has stepped forward to serve as its coordinator. She will distribute the prayer requests we receive on Sundays, as well as those received during the week. To send her a prayer request directly, please use this address: cfullerton@austin.rr.com

On Thursday evening (June 26) as part of our Third Thursday time of prayer and praise, we took the opportunity to prayer walk around the entire block where the church is situated. A group of 15 or 16 of us read Scripture, prayed, and at one point even sang, as we made our way around the entire perimeter of the church. We did so specifically with the intention of praying for this time of transition for Northwest Hills. Yet as we walked, God also opened our eyes to new things and people to pray for. Thank you all for your participation. And even if you were unable to make it that Thursday, please continue to pray for God's favor in this time of change.

Please continue to pray for Laura Brewster and her husband Scott and their daughter Rachel. Pray that this time of transition would go smoothly for them; that they would find just the right place to live, and they would find a warm welcome from this church family. Pray that we together will continue to represent "the active presence of the Kingdom of God in our community." And that, under Laura's leadership Northwest Hills will realize the potential that the Lord has placed within us!

THANK YOU TO ALL

The Memorial Reception Committee would like to thank everyone for their willingness to help. We had several receptions in a short period of time and it would have been a difficult task without each one of you. You truly came through as the hands and feet of Christ.

MY FRIEND'S HOUSE

"Let the little children come to me, and do not hinder them, for the Kingdom of heaven belongs to such as these" Matthew 19:14.

My Friend's House, where nearly 100 children are enrolled is an important part of the mission of Northwest Hills UMC. My Friend's House, established in 1980, aims to provide high quality child care and education. Our mission is to give the children the opportunity to develop in a safe and loving environment where each child is accepted and has the freedom to develop spiritually, socially, emotionally, physically, and intellectually.

The children are provided with healthy meals. Two hundred meals which includes breakfast and lunch and an additional 200 snacks are prepared for the children each day in a small 1980's galley kitchen. The food prep area is desperately in need of an upgrade. Therefore, we ask the congregation and community of Northwest Hills to **SAVE THE DATE: Saturday, February 18, 2017**. My Friend's House and the church community will join together to sponsor an adult evening in "Italy" for a catered dinner, social, and silent auction to help raise funds for the project. More information will follow in the days to come...Begin thinking, how you can contribute to this project by donating items for the auction, helping to get the word out, attending the "gala" so that we may better serve the children and staff of MFH.

Remember, the real future lies in the hands of our children and grandchildren. Your help and support is needed. For additional information contact Amanda Ronalds (512-345-1743), Marsha Gray (523-343-8546) or Jen Dickerson (512-585-4971).

Wildflower DVD and discussion guide: This film brings to light the fact that God is always present in our lives and even closer to us when we are going through difficult times. The knowledge that God's timing and purposes are not always within our comprehension is a prevailing theme within the movie as well. There is a discussion guide included which would make it perfect for a small group or individual study.

Patterns of Evidence Exodus DVD: This film unlocks the mystery of the ancient Exodus saga, combining a scientific investigation with a retelling of the Exodus story to reveal an amazing pattern of evidence matching the Biblical account that may challenge our understanding of history. It features interviews with leading archaeologists and guest appearances by Israel's Benjamin Netanyahu and Shimon Peres.

Miracles From Heaven DVD: Anna Beam has spent most of her childhood in and out of hospitals with a rare incurable digestive disorder. One day while playing with her sisters, she falls headfirst into a hollowed out tree. As rescue workers struggle to get her out, she visits heaven and experiences a miracle. This film is a wonderful reminder that the God of the present is still in the business of creating amazing miracles. It will warm your heart and grow your faith!

Jerusalem Center of the World PBS Home Video: This story captures the rich mosaic of the city's Christian, Jewish and Muslim communities. Covering a sweeping history of over 4,000 years, the film explores the founding of the city, birth and convergence of the world's three major monotheistic religions, and the key events in Jerusalem's history as described in the Hebrew and Christian Bibles, the Talmue, the Hagaddah, the Koran and the Hadith. Highlights include: Mount Moriah, the site of the First and Second Temples; the Church of the Holy Sepulcher; the Dome of the Rock; and the Western Wall.

Risen DVD: This story is told from the viewpoint of a Roman tribune who was sent to investigate the whereabouts of the missing body of Jesus. When he finally discovers Jesus and his disciples hiding out he is forced to choose the real truth or the story to protect the empire. This new twist to an old story lets you see what choices an unbeliever can make when introduced to our Risen Lord. This is great for skeptics and believers alike!

Our income is \$8,640 above our budget for May, but year to date is \$13,946 below our budget and we did not pay the Benevolence part of our Apportionments in March, April, and May (total \$11,404) because of our reduced income. The major part of our expected income in our budget is from members who pledge and that has improved from 88% of expected pledge income through April to 92% so far this year. If income continues to improve, we plan to pay our delinquent Apportionments.

We paid down our mortgages \$21,915 so far this year.

STEPHEN MINISTRY

Stephen Ministry serves member and friends of our congregation with love. During a time of crisis or special need in a person's life. A Stephen Minister provides a listening ear, a Christian presence.

Northwest Hills United Methodist Church has a vision for caring ministry. This is a caring congregation that involves lay people in ministry. We will have expanded that vision by sending Jack Collins, Sharon Easter and JoCarol Snoden Kemp to Stephen Series Leader's Training Course in Dallas. When they return they will serve with our current Stephen Leaders to keep our Stephen Ministry active and alive. Please pray for Jack, Sharon and JoCarol as they begin this ministry.

ADDRESS SERVICE REQUESTED

July 2016

A Heartfelt Thank You

"... it is out of the abundance of the heart that the mouth speaks." Luke 6:45

In the passage above Jesus was telling His followers that the words we speak truly give an indication of the condition of our hearts. Certainly a flatterer can speak false words or a person can mistakenly choose the wrong word when trying to express him or herself. However, Jesus' intent here is that in unguarded moments the words that come from our mouths truly are revealing, regarding the true condition of our hearts.

However, there are other times when our hearts can be so full and yet we have no words to speak. (That may be difficult to believe about me, but it's true!)

Yes, Heidi and I may come up with some words to say – but those words truly cannot express what is in our hearts. We truly have been blessed here at Northwest Hills. The Lord has worked through you to enrich our lives in so many ways. And we especially are speechless regarding the wonderful send-off you all provided us on our last Sunday. Your words and cards and gifts touched and filled our hearts to overflowing.

Although we would like to, we couldn't possibly thank everyone in the way you deserve. So, please accept this deeply, heart-felt word of gratitude from us both. As Paul writes in his letter to the Romans "I (we) thank (our) God through Jesus Christ for all of you." (Romans 1:8)

We will miss you all, but we will hold onto you in our hearts.

In Christ's love,

Charlie and Heidi
