

Northwest Hills UMC Text to Give Codes

As with all donations, a gift given through Text to Give without a specific code will be added to the church's general/operating fund. To make a special donation to a specific ministry using Text to Give, text the amount you wish to donate to **84321** and one of these the following codes. Think of these giving codes as the digital version of the memo line in a check. See the image to the right for an example.
